Final Conclusions

1.Interactions with other cultures/nationalities

1Q: Which was the best goal about participating in the meeting?

A.We think the best goal is the possibility to work with people from other countries.

2Q: How did you feel when you met students from other countries?

A.When we met the other students we felt happy and excited to interact with people from other countries and cultures.

3Q: Was it easy for you to start to talk with the other students?

A.The first day was a little bit difficult but as the days passed by it started to be easier and easier.

4Q: Do you feel now that you have friends abroad?

A.Yes, but we don't get along with all of them because we didn't get close enough.

5Q: Is Germany now a well-known country to you?

A. We don't think so because we didn't had many opportunities to see all the monuments and beautiful places.

6Q: What about the other countries? Do you feel them closer than before?

A: Yes, we feel closer, because while we were exploring the city we got to know each other well.

2. Working in English about unknown topics

7Q: Could you easily follow the instructions, the speeches and the explanations in English?

A: We think we can easily understand everything sometimes, but other times we had to pay lot of attention to follow the instructions give us by teachers.

8Q: Do you think that working in English is a hard task?

A: Yes, at the beginning. After it became easier because it is the only solution to communicate with other people.

9Q: In your opinion, which was the really hard task: the not well-known topic or talking about it in the foreign language?

A: In our opinion both of them aren't easy to do, the hardest one is the not well-known topic but it depends on our skills.

10Q: Do you think that you are ready to have another working experience like this one again?

A: Yes, we do!! We think we are ready to have another working experience because this one gave us many skills and it made us more safe when we speak English with other people.

11Q: Did you feel comfortable working with people from countries? Why?

A: Yes, we did because people who worked with us are kind and sympathetic and they always help us when we were in difficult situations.

12Q: In your opinion, which are the best and worst points of working with people from other countries?

A: The best points are:

- talk in English
- know new people and new cultures
- work together

The worst are:

- difficult to understand one another
- if you are a shy person it won't be easy for you to work with other

13Q: When did you start to feel comfortable with the international group?

A: At the beginning it wasn't easy to speak with other members of the group because we didn't know one another, but after some hours, we feel comfortable and we became a friendly team where everyone helped other people.
